Inclement Weather

With the possibility of bad weather in the coming months, we would like to remind parents to listen to the radio or the TV for any school closings, delays, and early dismissals. If you have not already done so, you can sign up for School Messenger to receive e-mails and texts with this information.

Parents should not call the school for this information as the phones are extremely busy and we need to keep the phone lines open for bus drivers and emergency calls. Also, please make sure you have made prior arrangements and send a note to your child's teacher as to what your child is to do on an early dismissal day if it is a change from what they normally do.
